

MY INTRODUCTION

Hello! My name is Aatiqa Sharif, and I live in Karachi. I am a recent BS-Commerce graduate from the Department of Commerce at the University of Karachi, with a 3.4 CGPA. I chose Marketing as my specialization last year during my bachelor's degree. Immediately after graduating, I completed a Digital Marketing Course from Aptech Computer Education, and I am currently in the process of completing a course at S.M.I.T (Saylani Mass IT Training).

I have a strong interest in the marketing field, especially Digital Marketing, and I am very passionate about it. I aim to become a digital marketer who helps other brands grow in a competitive market. Additionally, I plan to transform my father's physical business into the digital world.

Through this internship with Internee.pk, I hope to gain practical experience, enhance my social media strategy skills, and build a strong portfolio of creative work. I am excited to learn and grow with this community. Thank you for the opportunity!
